Subsequent Reports of Injury (SROI), Medical Only -- These are claims with the following benefit type codes (DN 95 - Paid To Date/Reduced Earnings/Recoveries): Payments to Physicians (350), Hospital Cost (360), Other Medical Cost (370), Unallocated Prior Medical (440), Compromised Medical (501), Pharmaceutical (450), and Physical Therapy (460). Medical-only SROI counts exclude both denials and SROI claims with indemnity payments (\$ > 0). Medical-only claims include those with reported benefit payments (\$ > 0).

A significant amount of variation across years results from noncompliance and late reporting of claims. DWC believes that its database is representative of claims in California's workers' compensation (WC) industry.
