November 4, 2011

Division of Workers' Compensation surveys copy services users

The Division of Workers' Compensation (DWC) has created an online survey to ask interested parties about copy services and their fees in the workers' compensation system. The survey is designed to collect feedback that can be used to meet stakeholder needs and make improvements to the current system.

The survey is posted at the following link: <http://www.surveymonkey.com/s/Copy-Svcs-Products>. Access the survey through the link or copy and paste it into your Web browser to answer the questions.

The survey can only be filled out once and will be available until Dec. 5.

DWC is planning additional surveys in the future. For more information, sign up for news releases at DWCNewsline@dir.ca.gov.
