

Information & Assistance Unit guide 5

How to file a declaration of readiness to proceed

File a declaration of readiness to proceed (DOR) to request a conference at your local Workers' Compensation Appeals Board (WCAB) office.

A conference will be set only if you filed an application for adjudication of claim and a WCAB case number has been set up. If you don't have a WCAB case number, you will also need to file an application for adjudication of claim, which opens a WCAB case for you (see I&A guide 4).

Complete the form following the attached sample. Provide the specific information requested about how you tried to resolve the issues. This form can also be completed at

http://www.dir.ca.gov/dwc/FORMS/EAMS%20Forms/ADJ/DWCCAFORM10250_1.pdf

When you file the DOR, you should also file all relevant medical reports and records, and all letters from the insurance company about the issues in dispute.

Send the original to your local WCAB office and copies to all the parties.

Submit the following documents with your form filing in the order shown:

- ✓ [Document Cover Sheet](#)
- ✓ [Document Separator Sheet](#) (*for Declaration of Readiness to Proceed*)
- ✓ [Declaration of Readiness To Proceed](#)
- ✓ [Document Separator Sheet](#) (*for Proof of Service By Mail*)
- ✓ [Proof of Service By Mail](#)

Keep copies of your filings for your records.

The WCAB will review the DOR. All parties will be notified by mail when a conference is set.

All documents filed with the WCAB must include a document cover sheet and document separator sheet. Please see I&A guides 17 and 18 to learn how to complete these forms. In addition all forms must be typed or handwritten in block letters to insure legibility. Additional form instructions can be found on the EAMS OCR handbook at

http://www.dir.ca.gov/dwc/eams/SampleFiles/EAMS_OCR%20handbook.pdf.

If you need help, call an [Information and Assistance \(I&A\) office](#), or attend a [workshop for injured workers](#). The local I&A phone numbers are attached to this guide. You can get information on a local workshop from the I&A office or on the Web at www.dwc.ca.gov.

Information & Assistance Unit guide 5

If you do not have the name and address of your insurance company to complete a form, please link to <http://www.dir.ca.gov/DWC/EAMS/EAMS-LC/EAMSClaimsAdmins.asp>.

The information contained in this guide is general in nature and is not intended as a substitute for legal advice. Changes in the law or the specific facts of your case may result in legal interpretations different than those present here.

When sending documents to a district office, please make sure they are not folded or stapled. Send them in a large manila envelope. Please see the EAMS OCR forms handbook for further instructions.

INSTRUCTIONS

1. This Declaration must be completed and filed before any case will be set for hearing at the request of any party. A party may request a mandatory settlement conference hearing, status conference hearing, rating mandatory settlement conference hearing, priority conference hearing or a lien conference.

A mandatory settlement conference is held to assist the parties in resolving the dispute. If the dispute cannot be resolved at that time, the parties should be ready to frame issues, record stipulations, list exhibits, and list the witnesses who will testify at trial. A trial is set only at the discretion of the judge and is set for the purpose of receiving evidence.

A rating mandatory settlement conference is a mandatory settlement conference but ratings of the medical reports will be available at the time of the conference.

A status conference is not a mandatory settlement conference but a proceeding for which judicial attention is required. It can include, but is not limited to, a conference in a complicated case in which discovery is not complete and the parties need the judge's guidance.

A priority conference is a conference held under Labor Code section 5502(c) in which the injured worker is represented **by an attorney and the issues include employment and/or injury arising out of and in the course of employment.**

A lien conference is a proceeding for which judicial attention is required to resolve disputes on liens. If the dispute cannot be resolved at that time, the parties should be ready to frame issues, record stipulations, list exhibits, and list the witnesses who will testify at trial.

2. A lien claimant may file a declaration of readiness to proceed only after the underlying case has been resolved or where the applicant chooses not to proceed with his or her case. (Labor Code § 4903.6 (b).) A declaration of readiness filed by a lien claimant shall be accompanied by the verification required by section 10770.6 of title 8 of the California Code of Regulation. The failure to attach the verification or an incorrect verification may be a basis for sanctions.

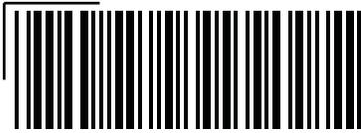

3. Unless notified otherwise, no witness other than the applicant need attend conference hearings. **Claims adjusters and lien claimants must be present or available by telephone.**

4. The party requiring an interpreter must arrange for the presence of an interpreter, except that the defendant(s) must arrange for the presence of the interpreter if the injured worker is not represented by an attorney.

5. Continuances are not favored and none will be granted after the filing of this Declaration without a clear and timely showing of good cause.

6. The Workers' Compensation Appeals Board favors the presentation of medical evidence in the form of written reports.
